

UPDATE 44

November 2012

Section 3.13 – Carbon

Earlier in the year, the AFMA Carbon Markets Committee gave approval for Version 2: June 2012 of the *AFMA Form of Part [6] to the Schedule to an ISDA Master Agreement for Emissions Allowance Transactions* to be included in the "Guide to Australian OTC Transactions" as the recommended version, replacing the September 2009 one.

Part 3.13.1 now contains:

- The June 2012 AFMA form of Part [6] in Word and PDF;
- The September 2006 version in PDF;
- A comparison between the AFMA 2009 and 2012 versions; and
- A comparison between the EU Part [6] and 2012 AFMA version.
