

MASTER AGREEMENT FOR FOREIGN CURRENCY TRANSACTIONS

Order Form

This simple two page Master Agreement was developed by AFMA's Documentation Committee in conjunction with solicitors, Malleson Stephen Jaques. It can be used in place of the Aussie ISDA Master Agreement, which is commonly used between banks and other financial institutions for a wide range of financial transactions.

Documents are available in packs of 10 from AFMA at a cost of \$165 (inc. GST) per pack. Organisations who anticipate substantial usage can purchase the Agreement electronically for a licensing fee of \$1,980 (inc. GST).

Enquiries should be directed to Bob Adams at AFMA Services on +61 2 9776 7964.
