

UPDATE 79

23 September 2024

Environmental Products Updates

AFMA's Environmental Products Committee has approved new versions of the AFMA Environmental Products Addendum and AFMA Environmental Products Spot Contract.

The updates include:

- Addition of Safeguard Mechanism Credits and Renewable Fuel Certificates to both documents
- Related updates to the confirmations

The commentary in section 3.9 of the OTC Guide has also been updated to reflect the addition of the new products.

Previous versions of the AFMA Environmental Products Addendum and AFMA Environmental Products Spot Contract been archived in section 6.2.
